Principals Report

On Wednesday 4th November 2015, the Whitton Murrami Consultative Group Committee met to reflect on the past year and consider the future of the school.

The group is made up of representatives from the Murrami and Whitton school communities, the Griffith Primary Principals Association President, a NSW Teachers Federation nominee, the principal and the Griffith network director.

They endorsed the educational value of the two schools coming together this year and the benefits that students are experiencing.

Their strong view was that Whitton Murrami Public School should continue.

The Consultative Group Committee made recommendations that the Department of Education formally adopting Whitton Murrami Public School as the official name of the school and close Murrami Public School which has officially been in recess this year.

The last P&C meeting was held on 9th November.

The P&C will be selling drinks this Saturday at the Whitton Fete at the Hall from 10am – 3pm, any parent who could help put on this day please let the front office know.

The annual Ham Raffle is on 4th December. We need helpers on the night to sell tickets and help out with the BBQ.

This year we will be running a Christmas hamper raffle.

Each family will be issued with a book of tickets. The raffle will be drawn on Presentation night, Monday 14th December.

The next P&C meeting will be held on 30th November at 3pm in the school library. All parents are welcome to attend.
