Accommodation Needed

A Whitton Murrami family is seeking accommodation to rent within the Murrami or the Whitton area. The family is looking for a house with a minimum of three bedrooms. If you have any information that may be able to assist in this matter, please contact me at the school.

Financial Assistance

Please remember that if you require financial assistance to help pay for any school activity this year, to come and see me. We have a number of ways in which to help and please rest assured, all details are kept totally confidential. We would like to see all students involved in our planned activities and if finance is a problem please make contact.

Middle Schooling

Middle Schooling will continue each Wednesday this term with all Year 6 students participating in a variety of activities at Leeton High School. Students will be supervised by teachers from Whitton Murrami, Wamoon and Yanco. Nadine Harrison will transport the students to Leeton High School this week and stay to ensure all students depart the school on the correct bus.

CWA International Day – Italy

Tomorrow, Whitton Murrami students will travel to the Murrami Hall to attend the CWA International Day. This year the focus country is Italy. The students will be presenting an Italian dance, singing some songs in Italian and displaying information pertaining to Italy in the hall.

K-2 students are asked to wear a long sleeve or short sleeve tee-shirt for their performance.

A complimentary Italian lunch will be provided for all students by the CWA.

Crazy Hair Day

On Friday, students are encouraged to come to school with crazy hair! **In exchange for a gold coin donation**, the students will have an opportunity to colour, gel, tease, tie and spike or twist their hair to raise money for Cystic Fibrosis NSW. Cystic Fibrosis is the most common genetic disease affecting children in Australia. It affects the respiratory and digestive systems, reducing their ability to lead a 'normal' life.

P&C Meeting

The next P&C meeting will be held on Monday 20th July in the school library at 3.00pm.

Trivia

Last week

Q: I purchased two different lollies. Together they cost \$1.10. One lolly cost one dollar more than the other lolly. What was the price of each lolly?

A:\$1.05 and 5c

This week

Q: Two men play five games of chess. Each man wins the same number of games. There are no ties. How can this be?

VOX POP

This week's Vox Pop will feature Jasmine.
